**WATER & WASTEWATER UTILITIES SUPPLIES, PARTS & EQUIPMENT – CATALOG DISCOUNT
ADDENDUM #1**

May 23, 2025

This addendum is issued to clarify, add to, revise and/or delete items of the Bid Document for this work. This Addendum is a part of the Bid Document and acknowledgment of its receipt shall be noted on the appropriate page within the Bid Document.

Contained within this addendum: Clarifications

The City doesn't have a current list of items in need. It is expected that submitters will offer a wide range of supplies, parts or equipment at a minimum of 10% discount as needed.

Per the Specifications the Vendor must supply the Purchasing department upon submittal with a full catalog of products offered to include all other required submittal documents requested within the bid package. Please be sure to read the bid in its entirety.

Vendors have two (2) options: Either Line-Item Pricing or Percentage Discount from Catalog Pricing, or a combination of these:

- **Line-item Pricing:** is pricing based on each individual product or service. Each line must indicate the proposer's published "List Price," as well as the "Extended Price."
- **Percentage Discount from Catalog or Category:** is based on a percentage discount from a catalog or list price, defined as a published Manufacturer's Suggested Retail Price (MSRP) for the supplies, parts or equipment. Individualized percentage discounts can be applied to any number of defined product groupings.

Respectfully,

Danielle Rose

City of Bartow, Purchasing Manager
