## What happens when I contact Crime Stoppers?

When you call the Heartland Crime Stoppers Tip Line you always communicate with a live operator, 24/7.

When you have finished your tip, you will be given an identification number.

Same thing for tips made using the web, or the P3tips smart phone app.

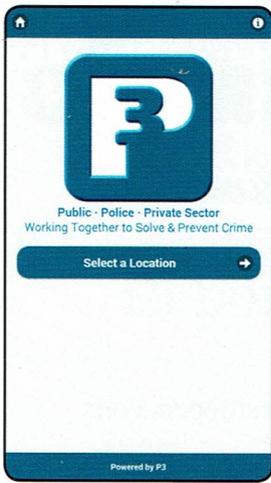

*You will NEVER be asked for your name, phone number or location.*

If you have additional information you want to add to your tip or want to check the status of your tip, just login or call and give your tip number.

*Remember, you'll only need your assigned tip number ... not your name.*

## How will I know if or when action has been taken?

**If your Tip leads to an arrest,  
or the recovery of stolen property,  
or the seizure of illegal drugs,  
you will be advised how to  
pick up your  
CASH.**
