

PUBLIC NOTICE
CITY OF BARTOW
Tropical Storm/Hurricane Idalia

POTENTIAL FLOODING

The National Weather Service is forecasting 4 to 6 inches of rain, with higher amounts possible in some areas. Residents who are in areas of Polk that are prone to flooding should evaluate potential flooding impacts to your home and safety. Emergency teams will not be able to rescue you during the storm. Polk County has shelters open throughout the county with vacancies. Go to www.polk-county.net to locate a shelter near you.
